## Description

Location, Location, Location! Welcome to your zen paradise and pristine 2 bed 2 bath condo in the highly sought-after community of Parkside, nestled right in the heart of beautiful Daniel Island. This quiet property has a high walking score and just a minute or two from everything you need from Publix and restaurants to bagels and baristas. The meticulously manicured Parkside condo comes with access to the 3 Daniel Island HOA neighborhood/town pools, multiple play parks, and miles of walking trails through scenic Spanish-moss draped trees and ponds. Daniel Island is a special place. This bright and fresh condo is designed perfectly embracing the Lowcountry lifestyle. The unit has been recently upgraded LVP flooring. You walk into a fresh and inviting beautiful open living space including a door to a sunny outside deck. Stroll through the well set up kitchen to the hallway featuring the 2 large bedrooms and the laundry room. The Refrigerator, washer, dryer can convey with an acceptable offer. Lets finish as we started with Location, location location...Daniel Island is a little piece of self-sustaining paradise and hosts concerts from world renown artists as well-as the Capital One Charleston Open tennis tournament. Children walk or ride their bikes to school or sometimes they are dropped off by their parents via golf cart. There is always some great community event going on here too.... This is all just a short ride away from world class Charleston restaurants, nightlife and the beachy, salt life of Isle of Palms or Sullivans Island, and possibly the best airport ever...is just 15 minutes door-to-door...you will be hard-pressed to find anything like this, in this condition, on Daniel Island. It is beach life without the beach price.
