Description

Wooded backyard and LOWEST PRICE PER FOOT in 29483 for a 5 bedroom! DD2 school district (including Reeves!)- bright and spacious home on a hill is close to the culdesac and has 5 bedrooms (one that's perfect for an office with gorgeous bamboo floor), a sitting area leading to formal dining, living room with gas fireplace and updated eat-in kitchen downstairs. NEW ROOF (2024) and NEW HVACs (2024, 2021). The owners love the green zone behind the home - take a look at the summer pictures to see the privacy! A gorgeous crepe myrtle and magnificent magnolia adorn the property, and part of the privacy-fenced backyard is leveled and has rock laid down, ready for a summertime pool or fire pit hangout spot! Granite countertops, tiled backsplash, ceramic tile floors, and a beautiful island are a cook's dream. The entire home has bamboo, LVP or ceramic tile floors. You'll love the spacious hallway upstairs, large closets, the soaking tub and walk-in shower in the primary bedroom, and the ceiling fans in every bedroom and in the living room. The primary bedroom is very large and the en-suite bathroom and walk-in closet are humongous. The large tiled laundry room downstairs is conveniently located right off the garage. In the backyard, a large covered patio with a fan and lighting is perfect for relaxing and the full, covered front porch on a hill allows you to watch the world go by. Brookwood is a peaceful community with a walking trail that is surrounded by woods and farms, but only 6 short minutes from shopping, dining, and more!
