Description

Looking for a waterfront home with stunning Lake Murray views? This 2014-built, one-story home offers 4 bedrooms, 2.5 baths, and nearly 2400 Square Feet! The highlight is the oversized, floor-to-ceiling windows along the back of the home, providing jaw-dropping lake views. Inside, the open living room connects seamlessly to the eat-in kitchen, featuring hardwood floors, white cabinetry and granite counters! The split floorplan offers three bedrooms on one side, with the primary suite on the other, complete with lake views, a tiled shower, garden tub and his-and-her closets! Outside, enjoy a spacious composite deck overlooking the lake and shared dock. The home has been meticulously maintained with fresh paint throughout the home, newer appliances and two-year-old HVAC system. This is a must-see! All new furniture available for purchase separately!
