Description

Welcome to Windmeadows! Tucked away in a cul-de-sac neighborhood with no HOA, this 4 bedroom, 2.5 bath home offers space, privacy, and thoughtful design throughout. The mature landscaping has been professionally maintained, setting the tone as you arrive. A side-entry garage keeps the curb appeal uncluttered. As you enter the home through the grand foyer, you're greeted with 18 ft ceilings in the great room and all-brick fireplace. The kitchen boasts stainless steel appliances, quartz countertops, solid red oak cabinets featuring pantry and utility storage, work/desk station and crown molding. Enjoy your morning coffee in the breakfast room, with a bay window area and 72" windows. The kitchen, breakfast room, dining room, and laundry area are finished with $\frac{3}{4}$ " solid Brazilian cherry hardwoods, hand-hewn for added texture and warmth. The main floor master bedroom is a true retreat; oversized with 11 ft tray ceilings, triple picture window letting in plenty of natural light, and private access to the back deck. The en-suite bath is well appointed with a double vanity, garden tub, and large walk-in closet. Upstairs includes an open catwalk overlooking the great room, along with three bedrooms, a full bath, and access to three attic storage areas. Step outside from the laundry room, great room, or master suite to an 1,100 sq ft wraparound deck. Multi-purpose and designed for entertaining and relaxing, there is a dedicated dining area as well as the 7-person salt water hot tub, and a peaceful lounge area to enjoy the large, private backyard that backs up to the woods. This all brick, low maintenance home was custom built and has only had one owner! Offering quality and space in a neighborhood that feels tucked away but is conveniently located near Downtown Conway.
