## Description

The home you have been waiting for is here! Like new estate style home with all the bells and whistles! Boasting a 3 car garage, extra parking pad, and large backyard! Fall in love before you ever walk through the door. Inside there are 6 bedrooms and 4.5 bathrooms. The primary bedroom and en-suite is on the main floor along with a guest suite that has a private bathroom and walk-in closet. Located upstairs are the other 4 spacious bedrooms, 2 bathrooms and great bonus room. Downstairs, the chef's kitchen has an upgraded appliance package, a 5 burner gas range, as well as a hood that vents outdoors! The pantry is big enough for all your staples as well as the purchases from the big box stores! Located in Palmetto Shores neighborhood, the amenities include 2 community pools, and a private boat ramp and dock. Just a few minutes walk to Lake Murray and living the lake lifestyle dream. What's unique about this property: 1. No one can build next to you! You have a beautiful wooded area that keeps your space private! 2. This is a custom mungo home! That means you'll have vaulted ceilings, beautiful crown molding and doorways. It really has a grand feeling when you come in. 3. You can easily turn one of these bedrooms into a private office space! Not Pictured\* The backyard has 7 raised garden beds, and an additional backyard patio space with fire pit and lights!
