## Description

Meticulously renovated at the end of 2020, this must see home is minutes to Downtown Charleston, Folly Beach and the James Island County Park. Park under a majestic oak and walk by gas lanterns on your way in to an open kitchen area with an oversized island overlooking the fireplace in the living room. Two well designed, large bathrooms are a great compliment to the rest of the house as you settle in to island life. A large back yard is perfect for kids or to just pick ripe Grapefruits out of your own back yard to mix cocktails with friends on the way to the beach.
