## Description

This is a stunning 5-bedroom, 5-bathroom home situated on spacious 0.73-acre lot directly on the Intracoastal Waterway -- with no HOA. The remodeled kitchen is a true showstopper, featuring stainless steel appliances, including three ovens, granite countertops, ample storage, and a large island that doubles as a breakfast bar. With five spacious bedrooms, each with its own en-suite bath, this home offers incredible flexibility. Beautiful waterway views abound and dual sliding glass doors lead to a spacious rear porch, complete with an electric roll-down screen and awning. Outside, your private paradise awaits. A sparkling pool, newly updated in April 2023, sits just beyond the porch, with a path leading to your own floating dock and boat lift (both installed in 2021). The property also includes a seawall, retaining wall, and dock added in 2019, as well as a 50-amp outlet for an RV on the side driveway. This unique home would make a stunning full-time residence, vacation home, or investment property. This centrally-located home is just minutes away from all the beaches, shopping, entertainment and restaurants that the Grand Strand has to offer.
