Description

Exceptional Split-Level Home with In-ground Pool & Creek – No HOA for this Springfield home. This beautifully maintained home offers a seamless blend of comfort, functionality, and outdoor living. Nestled on a private lot (0.64 acres) with a fenced yard and a tranquil creek, this property provides a peaceful retreat. Upon entry, you are welcomed into a spacious living room and dining area, designed with an open-concept layout that enhances natural light and flow. The living room offers a warm and inviting atmosphere, perfect for relaxation and entertaining. Adjacent to the dining area, the eat-in kitchen features ample cabinetry, generous counter space, and a convenient exterior door leading to the expansive deck—ideal for outdoor dining and gatherings. The main level is highlighted by a spacious primary suite with a private exterior door opening to the deck, offering breathtaking views of the in-ground pool and backyard. Two additional spacious bedrooms and a well-appointed guest bathroom complete this level, providing comfortable accommodations for family and guests. The lower level offers a large recreation room with a stunning brick wall with a raised hearth and wood mantle surrounding the gas log fireplace, a wet bar, a fourth bedroom, and a full bathroom with a laundry area. This level also provides garage access with additional storage, enhancing the home's practicality. Additional features include an attached 2-car garage and a detached 2-car garage with electricity, perfect for additional storage, a workshop, or hobby space. The exterior has been freshly painted, and the pool liner was replaced last year, ensuring a well-maintained and inviting outdoor space. Beside the pool, there's a concrete pad that previously had a jacuzzi-making it easy to install your own someday. This is a rare opportunity to own a home with exceptional amenities and privacy—schedule your private tour today!
