Description

Country living at its finest! This impeccable custom built home is better than new, sitting on half an acre, in a quiet community outside Conway. This expansive 3 bedroom, 2 bathroom home also features an office and a formal dining room. As you enter the home, the high ceilings and gorgeous crown moulding flow into the great room with fireplace and shiplap accent. The open floor plan leads to the chef's kitchen with quartz countertops, soft close cabinets, stainless steel appliances including an induction oven, large work island, pantry and breakfast nook. The vaulted ceiling dining room and office space are situated just off the living room. Passing the office, you enter the primary suite with plenty of natural light, tray ceilings and access to the covered porch. His and hers walk-in closets lead to the spa-like primary bathroom complete with soaking tub, tiled shower with rainfall shower head, dual sink vanities and shiplap accent. On the other side of the home, you will find two more bedrooms, a full bathroom, laundry room and the two car side load garage. Additional floored storage is available above the garage and there is plenty of space to park your vehicles and toys. The home boasts a tankless hot water heater and modern accents while providing a charming Southern lifestyle. Enjoy mornings on the front porch with coffee and quiet afternoons on the large covered back porch. Part of the Carolina Forest school district and a quick drive to Downtown Conway, and Myrtle Beach via International Drive, this home has everything you need and even more! Take the virtual 3D tour and schedule your appointment today!
