Description

Welcome to 1291 Old Colony Road, where the only thing more spacious than the backyard is the freedom you'll feel living here. Nestled in an established neighborhood with NO HOA, this place is perfect for those who prefer to make their own rules--whether it's choosing the color of your front door or deciding how many lawn flamingos are too many(spoiler: there's no such thing). Now, let's talk about the yard--this place is blooming! Azaleas popping off with bright pink flowers, and the towering trees giving you just the right amount of shade. It's got that peaceful, southern charm kinda feel--like the perfect spot to sip some iced tea on a lazy afternoon. Inside is waiting for endless opportunities for your personal touch on the renovations.
