Description

Welcome to the Robie at 1294 Mosser Drive in Grand Oaks! The Robie is one of our most popular plans for a reason! It features a large open-concept design kitchen, living, and dining area, as well as a guest suite on the first floor. Natural light floods these open areas through large windows, creating a warm, inviting feel. The kitchen comes equipped with gray shaker-style cabinets, stunning granite countertops, and a floating kitchen island with space for barstool seating. Upstairs you will find the generously sized primary bedroom suite, a functional loft space, and three additional bedrooms. All bedrooms are carpeted and feature a spacious closet. The laundry room is also conveniently located upstairs with the majority of the bedrooms. This house is also equipped with our state-of-the-art Smart Home Technology, so you can stay connected to your home no matter where you are. Grand Oaks is a short drive to Northeast + Downtown Columbia, along with Fort Jackson. It is also in close proximity to Blythewood + the upcoming Scout plant. Not to mention, Grand Oaks will have a resort style pool, completed by this Summer! *The photos you see here are for illustration purposes only, interior and exterior features, options, colors and selections will differ.
