Description

Views...Views...Views! Northern Beach Views as far as you can see. Enjoy Salt Breezes and Sandy Beach Views from your private balcony. Villa 201 is located on the northern end of building with ocean views from Living area, Kitchen and Master Suite. Vintage Beach and Nautical Blue and White accents create a palate to begin your own sea decor and are perfect compliment to the sea. This timeless color scheme gets you in the mood to decorate and personalize this space...a little "HOME_WORK" and creative mindset will certainly bring great returns and fond memories with this investment decision Sea Master features one of the largest pool decks in Garden City Beach, additional under building storage for beach chair or bicycle, and plenty of parking with the ownership of an additional oceanfront lot adds immeasurable value to this complex. Used as a 2nd home so ready for your family and friends to enjoy
