Description

Picture yourself on your porch bed swing on a relaxing, lowcountry afternoon, enjoying the cool breezes from the nearby creek and river, sipping a refreshing beverage, without a cell phone in sight. After your afternoon siesta, grab your paddleboard and take a short, three-minute walk to the neighborhood boat landing for some exercise and fun in the sun. The Harbour is favored for its close proximity to the boat landing and dock, where residents can enjoy the benefits of life near the water with fishing, boating, kayaking and more. If large bodies of water aren't your thing, don't worry, this lovely 6-bedroom, 5-bathroom home sits on one of the larger lots in the neighborhood and has enough room for your own private backyard pool oasis. There would be enough room left over for a pool house/cabana or a play area or if you have a green thumb, the perfect vegetable garden to help you make new friends and feed your neighbors! The professional landscaping is lush and filled with a stunning array of mature magnolia, crepe myrtles and loquat trees that provide a beautiful backdrop of color as well as extra privacy to complete the serene tranquility for your perfect escape. With a bright, open floor plan and two separate guest suite options, one on the first floor and one on the third, there is room for gathering over a good meal or a great movie, as well as room for solitude to cozy up with a favorite book. The outdoor living areas are perfect for entertaining family and friends on those warm summer evenings, and the jewel of this oasis is on the back patio. With the gas grill station and the Big Green Egg in the built in outdoor kitchen, complete with a natural stone island and topped with granite, the chef will have you covered, because there are only great grilled meals on the menu. And if bad weather does come, don't worry, the whole house Cummins generator has you covered. No flashlights necessary. Don't miss this opportunity to own this coastal, lowcountry oasis in one of Mount Pleasant's most sought after communities!
