Description

This farmhouse style home boasts a well-designed floor plan offering 4 bedrooms and three full baths with the primary suite, additional bedroom and two bathrooms on the main floor, also including a spacious open-concept living, kitchen, and dining area. Convenient walk-in pantry and a generous laundry/mudroom combo directly off the garage. Upstairs opens to a nice loft area that leads to additional bedrooms, flexible extra use spaces, and a large full bath. A climate-controlled storage room connects to a walk-in attic. Extensively upgraded property with features designed for comfort, security, and outdoor enjoyment. Fully fenced with four external gates and a custom iron driveway gate. Backyard has been professionally graded, sodded, and includes in-ground pool with tanning ledge. Chicken barn sized for up to 25 hens, with electrical added to both barn and workshop. Property includes upgraded fiber internet, whole-house natural gas generator, camera system, and enhanced external floodlighting. French drains installed in front yard as part of professional landscaping upgrades.
