Description

Welcome home to this expansive home located in the highly sought-after Fieldview neighborhood! With a reputation for low turnover and a welcoming, quaint atmosphere, this home is a rare find. A sizeable front porch perfect for your rocking chairs greets you as you pull into the deep driveway. Featuring a durable Hardiplank siding and excellent curb appeal, it's as inviting on the outside as it is on the inside. Upon entering, you'll be greeted by custom trim and an open-concept, designed for comfort and style. The front room can be used as a formal dining or living room, and leads into the generously sized chef's kitchen, complete with new smart enabled appliances, a massive island, eat-in dining area, new granite countertops and backsplash, custom sink and plenty of cabinet space. Downstairs, you'll find a nice sized bedroom and a full bath perfect for guests or multi-generational living. The entry coat closet provides a large under-stair lighted storage area. A spacious living room offers a perfect spot for relaxing and overlooks the fenced-in backyard. A screen porch has been recently added to further enjoy the backyard view of the pond and wooded area with no direct neighbors in the back, adding a unique blend of peace and privacy. Head upstairs to four extra-large bedrooms, and a large full bath with new sink and quartz countertops. The luxurious primary bedroom features elegant tray ceilings, dual closets, and an en-suite bathroom with a separate tub, shower, water closet, and new quartz countertops and sinks, offering the perfect retreat at the end of the day. If you're in need of space, quality, and a fantastic neighborhood, this is the home for you. The oversized two-car side load garage with additional space provides ample room for vehicles, hobbies, and household items. There is also overhead rack storage, providing even more storage space. Upgrades through the home include new flooring, tankless water heater, cellular blinds (blackout in bedrooms), all new lighting, paint and ceiling fans. Conveniently located within walking distance to Historic downtown Summerville, shopping, and just a golf cart ride away from the weekly farmers market in Azalea Park. The Fieldview Community park offers picnic tables and basketball court, and a delightful gazabo with a lending library. A convenient path leads to Gahagan park with a playground, walking / running track, sports fields and nature trails. Don't miss the opportunity to call this spacious gem your new home - schedule a showing today! Use our preferred lender to buy this home and receive an incentive towards your closing costs!
