From the moment you step inside, you'll notice the attention to detail, including custom solid wood barn-door shutters on the main level, handcrafted and sealed for durability and charm. The living area features a striking black accent wall with handmade wooden slats and adjustable shelving, adding both functionality and a contemporary design element. The home is equipped with energy-efficient solar panels, providing an eco-friendly advantage and reducing utility costs. Seller's current average electricity bill is \$32 a month! Conveniently located just 1.5 miles from the West Ashley Circle, residents enjoy easy access to shopping and dining, as well as a quick 25-minute commute to Downtown Charleston, 40 minutes to Beachwalker Park on Kiawah Island, and 20 minutes to the historic plantations along Highway 61. With nearby schools, including Drayton Hall Elementary and West Ashley High, and recreational options like the Bees Landing Recreation Center, this neighborhood combines comfort, convenience, and an excellent lifestyle.
