Description

Set on a quiet street in sought-after Springhill Lake, this 4,097 sq ft, 5-bedroom, 3.5-bath home delivers a family-friendly layout wrapped in refined finishes. The foyer opens to a private study with new French doors on one side and a coffered ceiling formal dining room on the other. Rich trim, heavy crown molding, and upgraded ceilings flow into the spacious great room, where a gas fireplace anchors the open concept living area. The kitchen pairs crisp white cabinetry with abundant granite counters, stainless appliances, a true walk-in pantry, and a butler's bar linking the kitchen and dining room. The kitchen and family room has easy access to an extended patio and covered porch overlooking the fully fenced backyard—perfect for weekend cookouts. The main-level primary suite feels like a retreat with a spa bath (dual vanities, soaking tub, tiled shower) and an oversized walk-in closet. Upstairs, four generous bedrooms—each with its own walk-in closet—share two Jack-and-Jill baths. A large flex room is ideal for play, fitness, or media, and walk-in attic storage keeps everything organized. Springhill Lake offers a resort-style pool with cabana, clubhouse, playground, fishing pond, and on-site boat/RV storage—just minutes from Lake Murray and zoned for award-winning Rocky Creek Elementary, Beechwood Middle, and Lexington High School.
