Description

Located in the Haig's Creek Subdivision, this brick and vinyl home features a large Great Room with 12-foot ceiling, fireplace and sliding glass doors that lead out to a screened porch overlooking the large backyard. The split floor plan features two bedrooms with jack and jill bath and a primary suite with private bath, whirlpool tub and walk in closet. The eat in kitchen has lots of storage including a walk-in pantry. Dining Room and Foyer are improved with hardwood floors. The Lower level is perfect for a Mother In Law Suite or Older Children. This area features a large Den, kitchenette/ recreation area, exercise room and bedroom with full bath. Other features include 2 Car Garage and sprinkler system in the front yard. Haig's Creek is conveniently located near I-20 making the commute to Camden or Columbia easy. Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
