Description

This meticulously maintained one-owner home features a desirable split floor plan with three spacious bedrooms and two bathrooms. Located on a serene wooded lot, the property is beautiful with mature landscaping including flowering camellias and azaleas, offering a peaceful retreat. The kitchen has abundant storage, a large pantry, and plenty of counter space for meal prep. There is great versatility with this open floor plan. The dining room flows seamlessly into the living room, creating an ideal space for entertaining. An oversized sunroom, not included in the square footage, provides additional living space with endless possibilities. Conveniently located between the garage and living areas, the laundry room includes built-in cabinets for extra storage. The spacious primary bedroom, situated at the back of the home boasts ample natural light and two separate closets leading to the en suite bathroom, complete with a garden tub and a separate stand-up shower for added luxury. The double garage offers hidden storage spaces, a fantastic workspace, and a utility sink perfect for all your projects. This home has been lovingly cared for and is ready for its next owner to enjoy! The sought after community of Charleston National has its own pool, tennis courts, walking trails plus the option to join the country club!
