Description

THE BEST DEAL IN "THE VALLEY" - GREAT HOME IN A GREAT LOCATION. Convenient to everything in NE Columbia and I-20. This 3-bedrooms, 2 bath home was bought new by the owners and it still looks like new. They have made some great improvements since they purchased it. They have added gutters and a very nice building in the back yard for storage or a man-cave/workshop and it does have power. They have also added a screened-in back porch and a concrete patio for grilling, with a fenced-in the backyard for privacy. You are getting a lot of bang for the buck. This is a great opportunity for anyone looking to buy: with everything already done! Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
