There are three secondary bedrooms on the second floor that share a large hall bath with dual sinks, granite countertops and a tub/shower combo as well as a sprawling flex room with walk in closet that could be used as a 5th bedroom, playroom and more! Rounding out the second floor is the primary suite with tray ceiling and attached spa like bathroom including dual vanities, granite countertops, deep soaker tub, tile surround shower and walk in closet with shelving. The outside living space boasts beautiful shrubs, plants and window boxes along the front of the home and the backyard is made for spending time with family and friends. The pergola covered patio offers plenty of room for grilling and dining and the expansive tree lined backyard provides not only privacy but endless space for everything from pick up football games to gardening. With a strong amenity package including sidewalks and a pool and located just 15 minutes from downtown Simpsonville, Five Forks, Tyger River Park, and the head of the Swamp Rabbit Trail as well as shopping and dining, 139 Scotts Bluff checks all the boxes and more!
