Description

Welcome to this fully renovated home in Windermere! Conveniently located near Downtown Charleston and within walking distance to the shops of Windermere, this home perfectly blends the area's charm with stunning modern finishes. Step inside to discover open living spaces and a thoughtfully designed layout, with the primary bedroom located on the main level to accommodate a variety of lifestyles. Enter from the inviting front porch and through the arched foyer, where you'll find the living area featuring a cozy fireplace and large windows. The space flows seamlessly into the dining area and a kitchen designed for both functionality and style. A chef's dream, the kitchen boasts wrap-around marble countertops with stool seating, a six-burner gas range, stainless steel appliances, abutler's area, open wood shelving, and abundant storage. It's so well-appointed and spacious, you could host a cooking show here! The main level also includes a spacious primary bedroom with glass doors leading to the backyard, two walk-in closets, and a luxurious en-suite bathroom. The bathroom features dual vanities, a separate soaking tub, and a marble-tiled shower. A second large bedroom with a full bath and an additional study round out the main floor. Upstairs, you'll find a versatile bonus room, an additional bedroom, and a beautifully designed full bathroom. The backyard is a private oasis, complete with a detached garage/workshop, a charming wrought-iron gate, a stone patio, and lush, established landscaping.
