Description

Welcome home to the Ashley House! This historical building sits on Long Lake with views of the Ashley River located just across the street. This secured building sits just across from the City Marina in downtown Charleston and is just steps away from Roper Hospital and the Medical University of South Carolina. This building has 2 elevators and 4 commercial offices on the ground level as well as a library. There are a total of 144 units in the building. There is also a laundry facility on the ground floor for resident use, but unit 6E does have a washer and dryer in the unit! Unit 6E is located on the 6th floor and boasts views of both Long Lake and the Ashley River. This unit doesn't have a balcony, but has an elongated den area and a fantastic wall of windows with wonderful views! There are 2 bedrooms and 1.5 bathrooms as well. The primary bedroom has a great view of the Ashley River and has a half bathroom with washer and dryer included. The secondary bedroom also has a view of the Ashley River. There is a full bathroom off of the hallway. Come check out your new home today!
