Description

Sweet 3BR/2BA home built in 2021 for sale! Conveniently located & close to everything in Walterboro. The home has been very softly lived in and has been maintained well. Still has that new construction smell. This home features a covered front porch, stainless steel appliances in the kitchen, and a very large tiled walk-in shower in the owner's suite. With 9ft ceilings, the home feels large and open. A split floor plan offers privacy, w/ the owner's suite across the home from the 2 secondary bedrooms. Situated on .6 ac, there's alot of room to grow. Gutters were added and the shed conveys. Seller also installed a UV light system on the HVAC unit. Close proximity to I-95, the Ace Basin Pkwy, the Edisto River, & only 1mi from Colleton County HS. Don't miss out -Schedule your showing today!
