Description

Imagine it: Your own piece of country bliss on 2.07 acres! No city taxes, no HOA and a beautifully updated four bedroom, three bath elevated brick home awaits its new owner. From the front door, hardwood floors embrace an elegant classic beginning that inspires the eye for what's next to come. A formal dining and living room with crown molding elevates the space of the downstairs, and a bedroom with custom built-ins, a full bath and deep walk-in closet makes downstairs living quarters attainable. Upstairs is the primary suite, two more bedrooms, a full bathroom highlighting a new vanity, toilet and ceramic tile flooring. Enjoy the 21x15 multi-purpose space and even an additional 14x11 flex space. All the work here has been completed for you! Completely remodeled and redesigned kitchen with slow-close cabinets made by Kinley Cabinets, tile flooring, granite tops, white large subway style backsplash, stainless steel black Samsung appliances, vented exhaust fan, custom coffee/tea counter with additional cabinets and a built-in microwave. Custom cabinets just under your feet in the breakfast nook overlooking the serene backyard. Lots of pantry storage with pull out shelves in the cabinet near the range as well as a sliding pantry just to the right of the kitchen. Enjoy the dreamy backyard views through the pendant-lit kitchen sink window featuring an in-ground saltwater pool with extended concrete surround including a shallow end tanning deck and a pool storage building. Fence added for pool safety as well. Check out the 30x50 detached insulated workshop featuring its own dedicated 200 amp electric panel, 14 foot ceilings, three roll up doors (one 12 foot door and two 10 foot doors) and an extra reinforced concrete center pad for the installation of a lift if desired! Enjoy views of neighboring pasture land and a pond from the 17x15 back deck or enjoy a quiet evening enjoying camp s'mores surrounding the extra large fire-pit. 21x21 oversized side-entry 2- car garage. New windows throughout in 2021, gutter guards by Leaf Filter in 2024, new paint, new carpet, and even several new light fixtures! What a dream this property is! There's something for everyone!
