Description

Welcome to your dream home in the heart of Myrtle Beach, located in the historic Booker T. Washington section! This beautifully remodeled 3-bedroom, 2-bathroom residence sits on a generous 0.26-acre lot, less than a mile from the ocean, offering both convenience and comfort without the constraints of an HOA. As you step inside, you are greeted by an open and inviting living space featuring luxurious LVP flooring that flows seamlessly throughout the home. The heart of the home, the modern kitchen, boasts stunning granite countertops and top-of-the-line stainless steel appliances, making it a chef's delight. The spacious layout encourages both entertaining and family gatherings. The primary suite is a true retreat, complete with an exquisite granite shower and a charming clawfoot soaking tub, perfect for unwinding after a long day. The two additional bedrooms are well-appointed, offering ample space for family or guests, with easy access to the second beautifully designed bathroom. Step outside to discover a large back deck that invites you to enjoy the coastal breeze, perfect for al fresco dining or lounging in the sun. The detached two-car garage provides plenty of storage space for your beach gear and vehicles. With two convenient entrances, one from Hemingway Street and the other from Rainbow Avenue, this property offers flexibility and ease of access. Whether you're looking for a primary residence, a vacation getaway, or an investment opportunity, this home encapsulates the best of Myrtle Beach living. Don't miss your chance to own this stunning property in a prime location!
