Description

Fully renovated Dune Loft Villa with stunning views of the marsh and tidal creek. This cottage is the closest one to Seabrook's kayak launch and crabbing dock and is just across the street from the private pool overlooking Capn Sams Creek. This cottage is larger than the others and has two screened porches for great outdoor space. It is light and bright and has luxury vinyl floors, vaulted and beamed white-washed ceilings, and an open kitchen. The kitchen has been renovated with new maple cabinetry, ceramic tile floors, granite countertops, stainless steel appliances, white subway tile backsplash, and under cabinet lighting. The primary bedroom has been enlarged and has its own private screened porch with a great view. The primary is so large, it has plenty of room for a sitting area or..office. Both bedrooms downstairs have tall vaulted ceilings and both bathrooms have been updated with new vanities with stone countertops, tiled showers/bathtub, and pocket doors. The upstairs loft has two twin beds and a closet that can also be transformed into a full third bathroom. The upstairs loft has its own private sun deck to take in the view and ocean breezes. This home is being sold furnished with a list of Sellers' personal exclusions. Dune Lofts have a great downstairs enclosed storage room for all of your beach toys and bikes!
