Inside, the family room welcomes you with its warm and attractive wood flooring, creating a cozy atmosphere. There is an additional room that can be used as a den or media room, providing flexibility as a fourth bedroom or a space for entertainment. The master suite is a peaceful retreat, featuring a luxurious garden tub, separate shower, and a large walk-in closet. Upstairs, you'll find two spacious bedrooms that offer plenty of space for relaxation and personalization. These bedrooms share a convenient Jack and Jill style bathroom with a full bath. The elevated design of the home offers ample storage space, suitable for a workshop or for those who are used to having a basement in colder regions. The homeowners association (HOA) takes care of the yard maintenance, giving you more time to relax and enjoy your weekends. The well-maintained grounds, covered by the affordable monthly HOA fee, include access to a neighborhood pool for your enjoyment. Additionally, the HOA fee covers important aspects such as termite protection, exterior maintenance, and flood insurance, providing peace of mind and hassle-free living.
