Description

Conveniently located and nicely updated, this 2 bedroom, 1.5 bath townhouse features brick exterior, laminate flooring downstairs with a large den, eat-in kitchen, half bathroom, and laundry room. Upstairs are two spacious bedrooms with updated carpet and a full bathroom. The front bedroom is extra-large and has lots of closet space. The rear bedroom has vaulted ceilings. Off-street parking behind the building. New HVAC unit installed last year. New windows. Nice, comfortable, no-frills living within a great community and very low HOA fee (\$250). This would be an excellent rental investment property, primary residence, or vacation property down by the beach. What a great opportunity to buy a 2 bedroom home on James Island within 10 mins of Folly Beach or downtown Charleston.
