Description

Welcome to 143 Harvest Way, a traditional two-story home nestled in a quiet cul-de-sac. The gated community of Cypress point offers you that perfect blend of privacy and community feel. The residence boasts a generous half-acre lot, offering a shady lawn. As you approach the house, you'll be greeted by a delightful Lowcountry wrap-around porch adorned with columns that just begs for rocking chairs and sweet tea. The exterior is eye-catching with its classic black and white hardy plank siding, topped off with a sleek black durable metal roof that is long lasting. A 4-bedroom home, complete with 3 well-appointed bathrooms. Stepping inside the first floor boasts a generous 1,569 square feet of well-designed living space. As you enter, you'll be greeted by warm touches like shiplap and accent walls that add character throughout the home. The heart of this house is undoubtedly the custom kitchen, featuring top-of-the-line appliances, including a gas range that will inspire your inner chef. The large Calcutta antique quartz island is perfect for busy mornings or casual gatherings, while the striking black hood range and white picket tile backsplash create a sleek, modern vibe. Dark Gray cabinets extending to the ceiling maximize storage. The light blonde hue of the Lvp flooring material provides resistance to scratches, water, and wear. Hidden behind a charming barn door is a spacious walk-in pantry. The first floor is home to two cozy bedrooms and two stylish bathrooms, including the luxurious master suite. Imagine unwinding in your ensuite bathroom, surrounded by beautiful green tile patterns and black hardware. Large walk-in tile shower complete with a rain shower head, an enclosed toilet area, and double vanities topped with quartz, this space is a tranquil oasis just for you. Plus, the hidden custom closet offers plenty of shelving to keep everything tidy. You'll notice the attention to detail with tall bedroom doors and beautiful tile patterns throughout, including a striking black-and-white tile design in the second bathroom. And let's not forget the unique brick flooring in the utility room that adds a rustic touch. The utility room is ready with washer and dryer hook ups. As you ascend the wood stairs a breathtaking accent wall from floor to ceiling leading up to the second floor. You'll find a large loft area that is the perfect size. It's a welcoming space with a ceiling fan to keep things cool. Upstairs, there are two additional bedrooms, each complete with custom walk-in closets, and remote operated ceiling fans. A hidden clever storage behind the "Smurf doors" in every room upstairs. The upstairs bathroom is spacious, featuring a large mirror and ample storage to keep everything organized. Plus, enjoy the convenience of a tankless propane water heater for endless hot showers. Outside, the nicely landscaped yard, complete with a parking pad and a charming seashell sidewalk, enhances the home's curb appeal. The shady lawn with mature trees offers the opportunity to create your dream outdoor space. So, if you're looking for a home that blends charm with modern conveniences in a lovely community, this is it! Come see for yourself and imagine the wonderful life you could have here!
