Description

Like new freshly painted, smart home w many upgrades including built in blue tooth speakers, auto shut off plugs, programmable smartphone thermostats, and walk in closets in all bedrooms. This spacious home boasts 4 bedrooms upstairs including an office space w an accordion door located on main level. Entrance to this home opens up to a large family room w gas fireplace, a formal dining room, and spacious kitchen w wood cabinetry, a large island w natural, durable and maintenance free quartz countertops. Downstairs exits to a covered patio w firepit overlooking a large leveled fenced in backyard ready for relaxation and entertaining. Upstairs features a large master bedroom with tray ceilings, his and hers closets, private bath w separate shower, garden tub, and double vanities and engineered quartz countertops. Hallway upstairs opens up to three additional bedrooms w walk-in closets, shared bath, double vanities and tub shower. This home has been very well maintained and ready for its new owner.
