Description

Experience the best in southern living. This beautiful 5 bedroom, custom -built home, on 2 acres with a saltwater pool. Step onto the charming front porch and enter the foyer that will lead you to the spacious, open floor plan. The kitchen is a chef's dream, featuring granite countertops, a 5-burner gas cooktop, tile backsplash, stainless steel appliances, and a spacious island. The eat-in kitchen seamlessly flows into the large family room, complete with a wood-burning fireplace. You will also find the spacious owner's suite on the first floor, with a tray ceiling, a walk-in closet, and a luxurious, spa-like bathroom. The bathroom features a dual vanity, an exquisite tile shower with a rain shower, and handheld spray -- the perfect retreat after a long day. The large laundry room is tucked off the foyer with built in cabinets. Off the family room, you'll find a beautiful three-season sunroom with large windows, filling the space with natural light. Upstairs, you'll find three generously sized bedrooms, two full bathrooms, and a loft space that could serve as a media room or study area. There is a two-car detached garage, with an epoxy floor, laundry sink, and washer/dryer connections. Above the detached garage is a versatile space that includes a full kitchen, bedroom, bathroom and living area, making it perfect for a home office, mother-in-law suite, or guest retreat. A covered breezeway connects the garage to the sunroom. The sunroom leads out to the saltwater pool with fountain, the cabana area that features a pergola - providing the perfect setting for entertaining or simply relaxing in privacy. For convenience there is an outdoor shower, and a half bath in the garage. This is a rare opportunity to own a peaceful country retreat that is conveniently located to downtown Summerville, Volvo, Mercedes, Walmart Distribution Center, Boeing, Joint Base Charleston, and only 32 miles to downtown Charleston with no HOA!
