Description

Tucked away in a gated, secluded area, this beautifully maintained 4-bedroom, 4.5-bath log cabin blends Lowcountry charm with modern convenience. Originally built in 1982 and thoughtfully expanded in 2002 using timber from the property, this home sits on a serene one-acre lot surrounded by majestic oaks and mature landscaping. Inside, plantation shutters throughout enhance the home's rustic elegance. The spacious owner's suite features a propane fireplace, two walk-in closets, walk-in shower and a luxurious soaking tub. The unique layout offers two separate upstairs areas one with a bedroom and half bath, and another with a spacious loft, bedroom, and full bath, providing versatile living space. This home boasts two distinct sitting areas, offering both functionality and flexibility. One serves as a cozy retreat, perfect for relaxing by the fire, while the other is ideal for gathering and entertaining. A generous laundry room and ample storage throughout add to the home's convenience. Out back, a detached mother-in-law suite with a full kitchen and bath provides a private space for guests or extended family. The property also features a large built-in wall safe, ensuring extra security and peace of mind. The oversized two-bay garage is perfect for RV or boat storage, a workshop, or additional storage needs. Ideally located just minutes from Wacca Wache Marina, the Marsh Walk, Huntington Beach State Park, and Brookgreen Gardens, this one-of-a-kind log cabin offers both privacy and easy access to the best of Murrells Inlet.
