Description

This recently built home, with Hardi-plank siding, has many upgrades and is in Cobblestone Park, arguably the finest neighborhood in the entire midlands. This community caters to your lifestyle with golf, fitness and sports, plus social clubs and activities. The gated community's star attraction is the Cobblestone Golf Course, a 27-hole course designed by P.B. Dye that is home to the USC golf. The clubhouse is 28,000 sf and has the pro-shop, event center, and Alexanders restaurant. The covered outdoor patio overlooks the green of the iconic par 5 finishing hole and is a great place for a cold drink at the end of the day. Other amenities include pools, park and soccer field, indoor and outdoor basketball court, tennis courts, and fitness center. The home has hardwood floors, granite counters in kitchens and bathrooms, stainless steel appliances, high ceilings with recessed lighting and upgraded trim and crown molding packages. There are 4 bedrooms, a large loft, and 2.1 bathrooms. The owner suite is on the main floor and has a double vanity with comfort height vanities, separate shower and tub, and a walk-in closet. The other 3 bedrooms plus the loft are upstairs. All 3 bedrooms are very spacious. There is an extended courtyard patio with a grill and a wooden privacy fence around the back yard.
