## Description

This custom built Charleston Executive home is unlike any other in The Ponds, featuring fresh exterior paint and updated light fixtures in the kitchen. The home offers spacious rooms with high-end features throughout. The stunning kitchen boasts granite countertops, a large island that comfortably seats four, and overlooks the generous family room with a wood-burning fireplace, creating an easy flow perfect for entertaining. A screened-in back porch leads to a fabulous patio with poured stamped concrete and a pergola, complete with city gas lines for your grill. The large yard is beautifully landscaped with a natural fence, mature Confederate Jasmine for added beauty and privacy, and specimen trees that provide shade during the summer months. The 3 car garage holds all your toys with a 220v circuit with 2 plugs. Great for an EV or using heavy duty electric tools. The "outhouse style" shed conveys and serves as storage for yard equipment and more. A beautiful guest/in-law bedroom and full bath are conveniently located on the first floor, while the upstairs features a spacious primary bedroom with dual walk-in closets and a luxurious ensuite bath.
