Description

Nestled on a serene marsh-front cul-de-sac in the sought-after Etiwan Pointe community. Closed to the heart of Mt. Pleasant, 20 minutes to the beach and downtown! This beautifully designed 3-bedroom, 3-bathroom townhome offers the perfect blend of comfort, elegance, and Lowcountry charm. With an abundance of natural light and an open-concept floor plan, this home is ideal for both relaxing and entertaining. The main living area - spacious great room with wood flooring, a gas-log fireplace framed by built-ins, and access to a screened porch overlooking woodlands and a picturesque creek. The kitchen has upgraded cabinetry, stainless steel appliances--including a gas cooktop--under-cabinet lighting, and a large island with bar seating. A secondary bedroom with a walk-in closet and direct access to a full hall bath completes this floor. Upstairs, the expansive owner's suite is a private retreat with large windows showcasing peaceful views. The spa-like ensuite bath includes a dual vanity, a soaking tub with a tile surround, and a glass-enclosed shower with a built-in bench. A third generously sized bedroom with its own ensuite bath is also on this level. Downstairs, the oversized two-plus car garage provides ample storage, while a covered patio with stone pavers extends your outdoor living space. Living in Etiwan Pointe means enjoying fantastic amenities, including a refreshing pool, a fitness center, a clubhouse, and a deep-water community dock on Rathall Creek offering quick access to the Wando River. Plus, just steps from your front door, you'll find a peaceful fishing hole that doubles as a kayak launch. Conveniently located in the heart of Mt. Pleasant, this home offers easy access to top-tier dining, shopping, and entertainment, all while being just a short drive from downtown Charleston and the area's beautiful beaches.
