Description

Beautiful tree-covered lot in Santee Circle, a small community of residential homes near Lake Moultrie. The lot has NO HOA so bring your boat and RV and store it right on your property. There are so many possibilities to build your dream and still have plenty of room for your large garage or workshed. There is deeded land all the way to Highway 52 and this would make a beautiful tree-lined driveway. Buyer to verify anything deemed important. Property may need to be rezoned to Buyer's desire and specifications.
