## Description

Charming Cape Cod Retreat on 1.75 Acres with Incredible Flexibility and Features Tucked away on a peaceful country road with just a few wonderful neighbors, this stunning 4-bedroom, 3.5-bath Cape Cod home sits on 1.75 beautifully landscaped acres — complete with peonies blooming out front and a wide, welcoming front porch that invites you to stay a while. Built in 2001, this thoughtfully designed home presents over 2,800 square feet of versatile living space. Gorgeous hardwood floors run throughout the main level, adding warmth and character to the open-concept layout. The spacious living room features soaring vaulted ceilings and flows seamlessly into the dining area and kitchen — perfect for everyday living and entertaining alike. The primary bedroom is truly one of a kind — larger than most, with a walk-in closet so spacious it could double as a dressing room, plus a second, lockable closet for valuables. Upstairs, a huge flexspace with a bedroom, kitchenette (including an ice maker!), and bathroom can serve as a second living quarters, media room, office, playroom, or creative studio — the options are endless. Step out back and enjoy the screened-in porch that spans the full length of the home, ideal for relaxing evenings overlooking your fenced backyard. There's also a workshop shed, an excellent dog kennel, and a Generac generator that powers the entire home when needed — offering true peace of mind. Additional highlights include: BRAND NEW ROOF, Two-car garage with extra storage space, Central vacuum system for easy maintenance, Private well and septic — nearly self-sufficient living! This home truly has it all — space, style, comfort, and flexibility. Whether you're looking for a forever home or a peaceful country escape, this one is ready for its next chapter. Come see what makes it so special.
