Description

This house needs a little TLC, but has tremendous potential. The owner is open to any and all offers for this house! Just to name a few wonderful things about this property: the house sits on a quiet cul-de-sac with a large fenced-in backyard and spacious decorative patio. It has real wood stained cabinets in the kitchen and bathrooms. This house has that hard to find sunroom. The living room can be converted into an office or playroom for the kids. Also, there is a gas fireplace to keep you cozy in the winter. The owner is in the process of moving, so please excuse the boxes and other items.
