Style

- Mobile Home

Description

As of June 3rd, this home has been reduced again! Motivated seller will still welcome you to bring an offer on this remodeled inside and out, manufactured home. This well-kept property is situated on a very open, spacious lot with beautiful, mature shade trees. A 18X20 carport protects your vehicles, with plenty of additional parking as well, up to 7 vehicles total! Enjoy sitting outside? You'll love the huge screened porch areas of this place! Plenty of room for outside entertaining. Inside, the house has a contemporary feel with the distressed high end vinyl plank flooring, solid surface counters, stainless appliances, and even a shiplap ceiling in the 2nd bathroom. There is additional storage and/or pantry space, as well as washer/dryer hook-up in what could also be used as a 3rd bedroom or office space if needed. A large and a smaller storage building are located behind the home, so there is no shortage of space for all of your toys, beach gear, yard/garden tools! Windjammer Village is tucked away in the very desirable Garden City area, but is only a golf cart ride to the beach, grocery store, dining, and entertainment. Come, bring an offer, and see what could be your ideal primary, or 2nd home beach retreat!
