Description

Beautiful 3 bedroom 2 bath home on one of the most peaceful lake lots in Murrells Inlet. Enjoy the comfort of the large front porch on this quiet tree lined street. This lovely home on leased land includes an open kitchen with center island, a well placed window above the sink with a gorgeous lake view, and an eat in section large enough for a table and 6 chairs. The primary bedroom includes a spacious en suite bath, double sinks, a soaking tub, plus a generous walk in closet. The living room is open and includes a cathedral ceiling and ceiling fan. The split bedroom plan includes two spacious bedrooms to the right of the home. The family room is super huge and includes a fireplace, cathedral ceiling with dual ceiling fans and a bar. One of the best features of this home is the screened in porch with picturesque lake views where you'll see plenty of wildlife. Anyone who loves fishing will be thrilled with the fish that can be caught in this stunning lake. The home has the country feel, but is still very close to all the activities Murrells Inlet has to offer. Call to see this one of a kind home today!
