Description

Welcome to your dream home! This meticulously maintained 3-bedroom, 2-bathroom craftsman-style property sits on a spacious 0.49-acre lot, just a short golf cart ride away from the beautiful beaches of North Myrtle Beach. With no HOA, this home offers flexibility and privacy, featuring a large fenced-in backyard with a 6-foot privacy fence—perfect for pets, play, or even adding an inground pool. Inside, you'll find newly installed LVP flooring (2024), tray ceilings, granite countertops, and new stainless steel appliances, all combining modern style with comfort. The home also boasts a new HVAC system (July 2024) with a UV light upgrade (December 2024) to enhance air quality and efficiency. A large side-load two-car garage adds to the home's functionality and curb appeal, offering plenty of storage space and easy access. Additionally, the laundry room features a custom hall tree drop zone, and an office space with a built-in desk. Built in 2011 with a 30-year roof guarantee, this home has been impeccably cared for, with the previous owners only using it as a second home. Outside, you'll love the covered front porch, extended back patio with a charming gazebo, and an exterior detached shed with electricity for extra storage or hobbies. With great curb appeal and plenty of outdoor living space, this property offers endless potential for relaxation and entertainment.
