Description

Welcome home to a one of a kind professionally curated Design Home masterpiece. Not a single detail was missed during the curation of this design. As you enter into this entertainer's paradise you're greeted with an open concept living space. First an office space with a built in desk and Peggy Cyprus shiplap. Followed by entering into the gourmet kitchen with the perfect dry bar storage, wet bar, and an island built for entertaining. The main floor hosts a large primary suite, office, kitchen + pantry, and screen porch. The first floor has 10 foot ceilings and hardwood floors throughout the home, this is what dreams are made of. On the rear of the house you can walk into the large two car garage or up to the full mother in law suite that is the perfect hang out, office, whatever you need. The second floor boasts a great open loft, 3 large bedrooms, each bedroom with on suite baths, and a fully equipped laundry room. It is all in the details! The primary suite closet comes equipped with a stackable washer and dryer, as well as, a full closet systems. The additional trim detail throughout showcases Peggy Cyprus in the office space and primary bedroom ceiling. The stairs show off a shiplap design. Come see this one of a kind home!
