Description

This amazing .33-acre property, located in the desirable Parkers Landing section of RiverTowne Country Club, offers the perfect blend of comfort, convenience, and luxury. The spacious layout with its seamless flow provides a wonderful setting for hosting friends and family. The living area boasts a gas fireplace and custom built-ins with shiplap. The spacious kitchen is connected to the dining room by an open butler's pantry, which features a small prep sink with counter space and a pantry. These features are perfect for anyone who loves cooking and hosting. The breakfast area opens to a lovely screened-in porch, providing an outdoor living option nearly year-round. The attached deck overlooks the spacious backyard, perfect for pets, games, and even enough room to add a pool. The backyard firepit is another great place to gather outside. Upstairs has the large primary suite with desirable extra features. The flex space can become an office, sitting area, workout space, or hobby room. The private deck is a nice bonus, perfect for relaxing. The primary suite also includes a spacious bathroom and walk-in closets. Two additional bedrooms, a bathroom, and a laundry room complete the upstairs layout. *Please note the fourth bedroom is located on the first floor. The elevated floor plan includes a three-car garage, which is a huge bonus for storage or even as a hobby space. Incredible sunset views are a highlight of this property, especially from the full-width front porch. RTCC amenities include a pool, tennis courts, a picnic pavilion, and a play area. Sidewalks are throughout the neighborhood. RTCC is a semi-private golf course; membership information can be found on its website and in the listing documents.
