Ceiling fans throughout the home will help keep you comfortable, and "eyebrow" doors create an upscale look. Distinguishing features of the owners' suite include a tray ceiling, an en suite bath with raised double sink vanity & walk in shower with seating, and a HUGE closet. Rear parking and the 2 car garage entry provide privacy and convenience. The property is beautifully landscaped and the irrigation system will keep your lawn & plants lush all season. When you feel like more activity, head to a local marina for a boat ride, catch a game, enjoy some of the area's amazing attractions, or zip over to one of the Grand Strand's great beaches. Downtown Conway offers SO much, from Theater, great restaurants, cool shops, spectacular seasonal decorations nestled in the midst of "Chanticleer Country" (in support of Coastal Carolina University). There is something here for everyone! For extra fun with the young ones in your life, Sherwood Park is just up the street. This low maintenance home is equipped with leaf filter gutters which will leave you time to do more of what you enjoy. What are you waiting for? Get out of the cold!!
