A second primary suite on the main level features a courtyard garden and an ADA-compliant bath with a handicap-accessible shower. The billiards room has a built-in bar, rock fireplace, custom display cases, and vaulted ceilings with mahogany beams. The theater room TV, sink, refrigerator, and two large wine coolers, while the fourth upstairs bedroom opens to a veranda overlooking the golf course and pool. The outdoor kitchen features a Wolf grill, ice maker, refrigerator, and chiseled-edge sandstone granite countertops, adjacent to a heated saltwater L-shaped pool, oversized travertine decking, and spa. Situated on 1.5 acres, the estate boasts French drains, irrigation, river rock borders, and stunning views of a private pond and golf course. Additional highlights include two heated two-car garages, three indoor gas fireplaces, and an outdoor wood-burning fireplace, blending luxury, comfort, and resort-style living.
