Description

This spacious home is ready for you to MOVE IN! Built in 2019, with upgrades just completed in 2025, make this adorable home feel fresh and like new! As you enter, you're greeted with brand new LVP throughout the 1st level, brand new carpet upstairs, new paint throughout the entire home (including the garage!), new lighting and plumbing fixtures and quartz counters in the kitchen and primary bedroom. In addition to the 3 bedrooms, 2.5 baths, you'll enjoy the loft area upstairs, just perfect for a desk/office space, children's playroom area or anything your lifestyle calls for! The primary room is complete with a full attached bath, spacious walk-in closet, new plumbing fixtures and quartz counters in the bathroom. Plenty of natural light throughout, 2" faux blinds in each room, attached 1-car garage, HUGE crawl space that allows plenty of storage and did I mention how large the lot is?? Sitting on about .4 acre, you have room to breathe, run, play and entertain! You'll truly enjoy how light and airy this home feels with calming tones throughout. Lastly, the location of this home is less than 5 minutes from downtown, the Swamp Rabbit Trail and St. Francis Hospital. Sitting just behind the Judson Mill development, you're sure to love the proximity to so much!!
