Description

Brand new construction by local builder nestled just outside of Mount Pleasant! Completed in the next few weeks, this 4 bedroom/3.5 bathroom home creates the ideal space for your family; from the coastal views to the professionally landscaped yard and all within minutes of Mount Pleasant's conveniences, 1615 Macoma provides lasting comfort and style. Dual single car garages and double front porches are awaiting your arrival at the end of a quiet cul-de-sac. Stained wood stairs leading to the front door allow entry to the luxurious crafted kitchen. Gleaming quartz countertops, farm sink, greige cabinets, tile backsplash, custom hood vent, gas range, and built-in oven are illuminated by oversized pendant lights and glass chandelier. The main living area creates the most beautiful setting to unwind with the gas fireplace and natural light pouring in from the windows and double French doors leading to the screened rear porch. The guest bedroom is anything but lackluster with its en-suite bathroom and walk-in closet. Tiled flooring, tiled wall surrounding the tub/shower, and quartz topped vanity ensure your guests feel right at home. Stained wood stair treads lead you upstairs to the additional three bedrooms. The hall bathroom showcases tiled flooring, tiled wall surrounding the tub/shower, and a dual vanity topped with quartz. Walking into the owner's suite, a wave of peace and serenity embraces you. The en-suite bathroom depicts timeless beauty with penny tiled flooring, soaking tub surrounded by wall tile and wall mounted faucet, oversized walk-in shower with quartz topped shower bench, and an expansive 80inch vanity with quartz countertop. Builder warranty and termite bond provided!
