Description

Welcome to your dream home nestled in a serene cul-de-sac, where luxury meets tranquility. This home is the epitome of inviting--with clean lines folded in between textures inspired by shoreside nature and nautical patterns. Light warm woods with realistic stone-look details against an airy background with contemporary finishes and fixtures make this home the perfect retreat amongst the trees. This exquisite 4-bedroom, 3-bathroom home has gone through an extensive design process with an interior designer to carefully and creatively design a home that flows seamlessly. This curated design is entitled Saltwater Haven and it is simply that! The home boasts 3005 square feet of living space, providing the perfect backdrop for your family's cherished moments. As you approach the home, a welcoming front porch invites you in. The primary bedroom, located on the second floor, offers a true retreat with a spa-like bath. Indulge in relaxation within the freestanding tub, rejuvenate under the invigorating walk-in shower, and revel in the convenience of dual vanities. The heart of this home is the gourmet kitchen, a culinary enthusiast's delight. Off white upper cabinets and a vintage storm gray stained island with a smooth plaster hood design make this kitchen a masterpiece of both style and functionality. Gather around the expansive island, the perfect spot for preparing meals and creating memories with your loved ones. Beyond the interiors, this property boasts a lush landscape dotted with mature trees, creating a private oasis. Imagine unwinding in your backyard sanctuary, surrounded by nature's beauty. Practicality meets elegance with a 3-car tandem garage and ample storage space. Whether you're a car enthusiast or simply need room for your outdoor gear, this home has you covered. Conveniently located close to pristine beaches and the vibrant downtown Charleston, this residence offers the best of both worlds. Experience the joy of coastal living while being just moments away from the cultural delights and entertainment options of the city.
