Description

Spacious and beautifully designed 4-bedroom, 3 full bath home with a fantastic layout! Enjoy both a large great room and a formal living room—perfect for relaxing or entertaining guests. The formal dining room adds an elegant touch for special gatherings. Cozy up by the fireplace in the living room, and take advantage of two bedrooms featuring His & Her closets for ample storage. The master suite includes a luxurious bathroom with a walk-in shower, plus a built-in makeup desk and mirror for added convenience. The kitchen opens to the backyard with sliding glass doors, and the living room also features sliders leading to the cement patio—ideal for BBQs, outdoor dining, and family get-togethers. The backyard includes a partially private fence, offering just the right amount of privacy. The extended driveway provides parking for up to six cars—great for when friends and family visit. This home checks all the boxes for comfort, space, and function. A must-see for anyone looking for a well-laid-out home ready to enjoy inside and out!
